### **Become the Expert of Your School**

Every school is different. From group size to socio-economic differences. A single plan won't work for every school, so it's up to you to take this outline and use the gifts God has given you and your team to make it come alive. You are FPKids not the curriculum and strategy.

TELL THE KIDS ABOUT MARKS

"Every month we are going to talk about a mark. We have a mark that goes with Jesus said verse."

YOU SAY: Say Mark || KIDS SAY: Mark

"What Jesus said challenges us to think differently. If you hold and value what Jesus says it will change you. It changes how we think, what we do and how we see things. It also changes how people see us. Think of it like a tattoo. It's on us. It's permanent and visible to others. How awesome is that? If we value what Jesus said and let it change us, we become like Jesus! And when others see that change in us they see Jesus on us. It all comes from Jesus teaching us. It comes from Jesus."

YOU SAY: It comes from Jesus || KIDS SAY: It comes from Jesus

### **Kids are Performers**

Kids are natural performers, but sometimes we get in the continuous pattern of having them sit and listen. Try in everything you teach to get kids up front with you doing something. Then your lesson becomes visual as well as audible.

### **Read It Recap**

We really want each month to be very simple. We want to create a pattern that into months 2 and 3 the students will start to recognize. For the kids to really memorize these verses they are going to have to see them every week.

THIS MONTH'S MARK IS TRUTH - "SEEING THINGS THE WAY JESUS DOES"

### WHAT IS A DISCIPLE?

"Who can tell me what a disciple is? A disciple is someone wants to become like someone else. The word comes from a long time ago before there were schools. When someone wanted to become a carpenter or baker, they would go live with and work for a carpenter or baker. They would spend all their time working and learning from their teacher. They wanted to become like their teacher.

### WHAT DO YOU HAVE TO DO TO BECOME A DISCIPLE OF JESUS?

"To become like Jesus you have to know what Jesus was like. You have to know what He did and you have to know what He said. Right? How can you become like someone if you don't know what they are like?"

### JESUS CALLED HIMSELF THE LIGHT OF THE WORLD

"What do you think He meant by that? What does light do? Light makes things visible. Without light you can't see anything. It reveals. Jesus was calling Himself the great revealer to all the World. The people who were there started to say, 'Who is this man that makes this big claim?' It was hard for them to hear."

### WE ALL HAVE A PERSPECTIVE

"It is hard for all of us to trust what other people say is true. Part of that is we want to believe we are right. Also because we have all been lied to? So we are very careful on who we trust. Who are some people that we trust?"

### WE CAN TOTALLY TRUST JESUS

"We can trust Jesus. Because He is the Son of God, He came from God. He was perfect. He never lied. What He sees is what God sees. What He says is what God says. We can trust Him more than anyone, even ourselves. Jesus is only one who really knows the truth."

### EXPLAIN HOW GLASSES CHANGE EVERYTHING YOU SEE

"Who here wears glasses or wears sunglasses? When you look through glasses they change everything you see. Some sunglasses make everything look yellow, while some make everything darker. Everything you see is through those lenses."

### SEE THINGS THROUGH JESUS GLASSES

"Jesus was saying if you want to be like Him you will listen and believe what He says. Then you will know the truth, because what Jesus says is the truth. He is the only one who knows the truth."

### GIVE STUDENTS A CHALLENGE

“I want you to do something today. I want you to put on your Jesus glasses. See today the way Jesus sees. See the truth. I want you to go to class today and take a moment to look around. Pray and ask Jesus to let you see the other kids around you the way He sees Him. You might just look at them with compassion. You might look at them with love.”

#### **Gospel Step Up**

Let's raise a generation of students that not only live the Gospel, but communicate it too. We'll start by placing students in a place where they can succeed. They can simply read the Gospel in front of their First Priority club and we can celebrate it.
